The power of local connections

At Bank of America, we have leading capabilities across all our businesses and a strategy that is focused on connecting our capabilities to deliver for our customers and clients. In every situation, we're committed to growing responsibly and sustainably - ensuring everything we do aligns to our purpose of helping people live better financial lives.

- Families can have the tools and support they need to live more successful financial lives.
- Neighborhoods can be built on a solid foundation of responsible home lending and economic development.
- Businesses, small and large, can benefit from our financial and intellectual capital.
- And nonprofit organizations can have access to the resources and expertise of the company and the efforts of our employees locally and around the globe.

In each market, we strive to connect everything our company offers to our clients' personal and financial goals so we can provide tailored solutions to fit their needs. It's how we make this large company personal and how we help our customers, clients and communities thrive.

Helping drive social and environmental change

Our sustainable finance commitment will mobilize and deploy \$1.5 trillion by 2030 to support both environmental transition and inclusive social development, spanning business activities across the globe.

Since the announcement of our goal in 2021 through year end 2023, we mobilized and deployed approximately \$560 billion in sustainable finance, with more than \$316 billion focused on the transition to a low-carbon, sustainable economy.
